Call 999 - emergency!

Burglars making a get-away!

Police car dashing, bright lights flashing;

Help is coming - it's on the way!

Ambulance speeding - emergency!
Whee-oww! Whee-oww! Pull over, make way!
Siren screaming, light beam-beaming;
Help is coming - it's on the way!

Tree on the track - **emergency!**

But breakdown train can clear the way.

Huge crane *hooking-*

lifting-

shifting-

Help is coming - it's on the way!

Boat sinking fast - emergency!
Launch a lifeboat in the storm and spray.
Long ropes tossing, lifebelt dropping;
Help is coming - it's on the way!

Forest fire blazing - emergency!
But fire-fighting planes zoom on their way
SWOOP swoop swooping and water scooping;
Help is coming - it's on the way!

River flooding - emergency!
Inflatable boats needed - no delay.
Rescue supplies tugging, chug, chug, chugging!
Help is coming - it's on the way!

Big snowfall - **emergency!**
Snow plough slowly clears the way.
Pushing,
shoving, tossing, tunnelling;
Help is coming - it's on the way!

Fire! Fire! - emergency!

Fire engines racing all the way,

Hoses slooshing,
water swooshing:

Help is coming -
it's on the way!

Man lost on mountain - emergency!
Helicopter hovering, *whirr! whirr!* hurray!

Searching, finding, winch door sliding;
Help is coming - it's on the way!

Quick! accident - emergency!
Damaged car is blocking the way.
Breakdown truck towing,
yellow light glowing.
Help is coming - it's on the way!

All quiet now - no emergency.
No flashing, no dashing, no zooming away.
Resting and waiting for the next 999 call -
Then help will be coming, on its way!
